

LEONARD LYNCH - PRINCIPAL LANDSCAPE ARCHITECT

As an Urban Designer and Landscape Architect, Leonard has forty of experience in design of the public domain. Educated in Australia and Scotland he has worked in public sector planning and design agencies, universities, and in a range of private practice roles.

His project experience, teaching involvement and role as critic or commentator on design matters spans Britain, North America, Asia Pacific and all states of Australia. Leonard's work has won the recognition of his peers with awards from BALI, RAPI, AILA, LI, ACEA, UDIA, National Trust, LCA and the HIA in recent years. As the Founding Director of CLOUSTON Associates, Leonard's work has taken him from development of landscapes for health care in the Central Desert, to regional Australia, to significant public sites such as Commonwealth Park in Canberra and Hyde Park in the Sydney CBD.

- Leonard is a skilled public speaker and is regularly invited to present at conferences and seminars which have included ISOLA (Indian Society of Landscape Architects 2009 Instant Cities Conference and REHAB (Canberra University Architecture Conference) 2009
- He has an active role in the Australian Institute of Landscape Architects, of which he is a past president, and he was Deputy Chair of the Australian Council of Building Design Professions in 1997.
- As an advocate for the profession he has had representative roles on the Sydney Metro Design Review Panel, the Olympics Landscape and Open Space Advisory Committee, Sydney Harbour National Park Advisory Committee, Sydney Sculpture Walk Advisory Panel, the NSW Minister of Planning's Urban Design Advisory Committee Think Tank and various advisory groups on design and environment.
- He is a recent member of the Royal Botanic Gardens Properties and Estate Management Committee and the Northern Territory Governments Urban Design Advisory Panel
