

AARON DRIVER - GRADUATE LANDSCAPE ARCHITECT

Aaron is a Graduate Landscape Architect who completed his Bachelor of Landscape Architecture (Hons) from the University of New South Wales in 2018. Aaron joined CLOUSTON Associates as a student landscape architect in late 2016 and has worked on a range of landscape projects including residential, infrastructure, public domain and open spaces.

Since becoming a full time employee, Aaron has gained experience in Residential (land development, private residence and infill), Commercial, Infrastructure and Open Space Strategies - where he has assisted in the preparation of site analysis, design concept development, development application and open space strategy documents and construction documentation packages. He is highly proficient in the use of Microstation, Sketchup 3D and Adobe Creative Suite, including Photoshop, Illustrator and Indesign.
