

IACOPO RIMONDI - STUDENT LANDSCAPE ARCHITECT

Iacopo is a Student Landscape Architect who is currently enrolled in the Bachelor of Landscape Architecture (Hons) from the University of New South Wales. Iacopo joined CLOUSTON Associates in Darwin, in mid 2018 and later transferred to the Sydney office in October 2018. He has worked on a range of landscape projects including residential, infrastructure, public domain and open spaces both in Darwin and in Sydney.

Whilst working with CLOUSTON Iacopo has gained experience in a range of different areas, he has worked from large scale residential projects to small childcare playgrounds. As well as being involved in various stages of the design from analysis and concept through to documentation. He is highly proficient in the use of the Adobe Creative Suite, including Photoshop, Illustrator and Indesign, as well as gaining knowledge of Microstation and Sketchup 3D.
