

CHAK CHAN - LANDSCAPE ARCHITECT

Chak is a Landscape Architect who completed his degrees at the University of Adelaide. He has professional experience in both private and public sectors. He has worked on a broad range of landscape projects in South Australia, Victoria and New South Wales. He has been involved across all portfolios, gaining experience in Master planning, Landscape Character and Visual Impact Assessment, Open Space Strategies, Mixed Used Development, Public Realm, Residential (land development, private residence and infill), Sports Fields, Campus and Infrastructure.

Since joining CLOUSTON Associates in 2016, Chak has assisted in the preparation of site analysis, design concept development, visual impact assessments, development application, open space strategy documents and construction documentation packages. He is skilled in the use of CAD, 3D modelling and Adobe Creative Suite, including Illustrator, InDesign and Photoshop.
