

## HUILI (JESSICA) TANG - GRADUATE LANDSCAPE ARCHITECT

---

Jessica joined CLOUSTON Associates in March 2017 and has worked on a broad range of landscape projects including private gardens, public parks, infrastructure, urban design and public domain. Jessica is passionate about delivering meaningful urban spaces that balance functionality, aesthetics and sustainability.

Since joining CLOUSTON, Jessica has gained experience in site analysis, design concept development, master plan, development application and documentation packages.

Jessica has a Bachelor of Landscape Architecture degree and also studied additional visualisation and animation subjects in UNSW. Jessica is known for her design communication using CAD, SketchUp, Rhinoceros modelling, Lumion, Vray and the Adobe Creative Suite.

**QUALIFICATIONS:**  
Bachelor of Landscape Architecture  
(Honors), University of New South  
Wales (2018)
