

BORUI (RAY) HUANG - LANDSCAPE ARCHITECT

Borui is a Registered Landscape Architect, he is passionate and dedicated to protecting landscape values in complex environments. Before joining CLOUSTON Associates in May 2022, he worked for a Sydney-based local landscape studio for four years on a diverse range of projects from residential, educational to commercial developments. Experienced in fast-paced working environments, Borui is detail-oriented and well-organised, ensuring the needs of clients and the landscape are at the forefront.
