## TARA BOGAM - GRADUATE LANDSCAPE ARCHITECT

---

Tara joined the team at CLOUSTON associates in June of 2022 after graduating with a Master of Landscape Architecture at Deakin University, Melbourne in 2021. She brings over 2 years of international experience as Student Architect in Pune, India. As well as residential landscape design experience from Melbourne.

Tara is passionate about the creative art of understanding and designing how people live and interact with the built environment and the landscape. She has a sound understanding of Australian Indigenous Landscape principles and the importance of native vegetation.

Since moving to the NT and working with CLOUSTON, Tara has worked on projects ranging from open spaces, parks, residential development, private residences and commercial projects. She embraces the opportunity to work with and contribute to design and consultant teams to create enduring landscapes for local communities.
