

JOSH HAROLD - PRINCIPAL LANDSCAPE ARCHITECT

Principal Landscape Architect Josh Harold joined CLOUSTON Associates in May 2016 and has over 14 years professional experience as a Landscape Architect. Before joining CLOUSTON Associates, Josh worked for a multidisciplinary firm on a wide range of projects in Sydney, Canberra and China. He has worked on a wide range of projects including public parks, infrastructure, urban design, public domain and open spaces.

Josh has experience in concept design, design development, tender and construction documentation and has experience in delivering projects from inception to completion.

Josh has over 13 years experience with Microstation and is able to utilise 3D modelling to compliment the design process.
